AT THE AIRDOME.
Dunbar and Turner Please Another Large Audience.

The management says:
Dunbar and Turner scored another big success in a new and original vaudeville offering at the Airdome last night. The theatre was packed for the first performance, every available seat being occupied.

Tonight they will close their three days' engagement with a change of act, introducing new songs, jokes and costumes.

The feature film in motion photographs tonight will be a high art Edison subject, "Carminella." This film, though short, contains several good laughs as well as a forcible lesson in street car etiquette which will not fail of appreciation, especially to the female portion of the audience.

Interest in the baby show continues to grow and promises to be a very interesting contest. Several mothers have entered their children and others desiring to do so should send in their names and photos to the manager at once.

Improvements on the Howard Home.
Mr. A. R. Howard is today beginning improvements on his beautiful home place on South Sycamore. We understand there will be an entire rearrangement of his premises so as to be in harmony with the home and grounds of Dr. J. C. Silliman, who is building on the other corner of the block. Mr. Howard's home has been recently completely renovated in its interior and the changes contemplated on the lawn and outbuildings will make this block one of the prettiest in this vicinity. Mr. Howard is determined to keep fully abreast of the era of improvement through which our city is passing.
